How do I install the chrome app "Pixel Editor" on the Mac? I've tried it through the chrome app store and while the screenshot shows the "install on your computer" icon, my Mac doesn't see any option to install it. Update: I have the latest version of Chrome Version 35.0.1916.153 m (64-bit). A: You can install the chrome app in the Chrome app store. In this link, there's an article "How to Install Chrome Apps on the Mac". To install the Pixel Editor on Mac, open the chrome://apps/ app and search for Pixel Editor. Q: How can I make a COM interface or a list always be writable? I'd like to make a COM interface always be writable. I had thought that the IUnknown interface would provide this capability, but I can't figure out how to actually change something in the base class. For example, if I were trying to remove all my instances of a class, say, I'd try the

a career in SEO! Goals and Objectives In order

to overcome all the obstacles and challenges,

which the SEO industry has. It is essential to

have a clear vision of your goals and

objectives. These are things that you want to

achieve in your SEO journey. Because once

you have these goals in mind, you know what

you need to do and that is the right time to start planning all the things to make it work.

Goals & Objectives for SEO

Goals & Objectives

Achieving your online business goals through SEO is the key of success. You should have clear goals of how you are going to implement SEO for your business that would help you in achieving your goals. Here are some of the goals and objectives you should have in your SEO plan. How is your ROI (Return on Investment) going to be? Will the SEO methods enhance sales? Will your SEO practices bring you new and improved potentials? These questions are going to help you clear your mind about the type of goals you need to achieve.

Goals & Objectives - List Of Your SEO Goal List

Goals, objectives or action points are the things that are going to help you achieve your goals. The number of goals should be in the form of a list in the following format

Target	Objective	What is the expected Return on Investment
